

### Lightweight Plastic Compression Sprayers

5.0 – 14.5 l

- Our compression sprayer line is made to perform the same kinds of professional uses as any other SWISSMEX-RAPID product.
- Do not compare them with garden varieties. They are solidly built and are practically indestructible. Besides they are lightweight, easy to carry and a single session of 40 full strokes provides enough pressure to spray continuously for 10 minutes.
- Like all SWISSMEX-RAPID products, they are manufactured with high density polyethylene and other chemical resistant materials.
- With proper maintenance, these models will provide years of trouble-free service.

Designed and manufactured by experts to apply:

- Herbicides
- Insecticides
- Fertilizers
- Disinfectants
- Diesel
- Oil-based solutions

#### **Important.**

Please ask your dealer before using any product not included in this list.
